

There are 8 level of control according to the Democrat Playbook, "Rules For Radicals", written by Saul Alinsky back when. NWO Obozo memorized it.

1. Healthcare – *Control Healthcare and you control the people and can manipulate them.
2. Poverty – Increase the Poverty level as high as possible, poor people are easier to control and will not fight back if you are providing everything for them to live.
3. Debt- Increase the debt to an unsustainable level that way you are able to increase taxes and this will produce more Poverty.
4. Gun Control- *Remove the ability to defend their self from the Government, that way you are able to create a Police State and control the populace fully.
5. Welfare- Take control of every aspect of their lives (Food, Housing, and Income).
6. Education- Take control of what the people read and listen to – take control of what the children learn in school, make teachers liberal and unionize them so they cannot be fired. (NWO Randi Winegarten did this.)
7. Religions- Remove the belief in the God in Government and schools.
8. Class Warfare- Divide the people in the wealthy and the poor, this will cause more discontent and it will be easier to take (Tax) the wealthy with the support of the poor.

Does any of this sound like what is happening to the United States because of **Dems** and Obama's **NWO**?

Why yes, yes it does.

Liberals believe we should all be equal at the finish line.
Conservatives believe we should all be equal at the starting line.
See the difference?
